

CPD TRAINING SESSION

The FIA will be hosting a regulatory CPD approved event, exclusively for the benefit of members of the FIA that are paid up and registered on our data base.

The event has been approved by either IISA or the FPI, a body recognized by the South African Qualifications Authority as a professional body for purposes of the National Qualifications Framework Act.

Registration / Confirmation of attendance to the event must be done by the date given in the e-mail by clicking on the link to register.

Your booking will only be accepted if all the details of the person attending were completed and will be used for verification on the day of the training. Please remember to bring your identification with to the training venue (ID or drivers license)

Members of the FPI (or IISA as the case may be) must also provide their membership number of the professional body.

Please note

Regulatory CPD events must be verifiable which means that attendees will have to identify themselves at the event by means of an ID, driving license or passport. Attendees must also sign an attendance register at entrance and at the conclusion of the event. This is necessary to issue certification of attendance of a regulatory CPD approved event for record keeping purposes by all FSPs, as prescribed by Board Notice 194 of 2017.

Also note that as the event has been approved for regulatory CPD hours, the event will also qualify for professional CPD recognition by the FPI and/or the IISA.

Note: Personal information will only be used for identification and verification purposes, in line with the privacy policy of the FIA. Our privacy policy can be accessed on the FIA website at the bottom of the Home page – www.fia.org.za
