

You are herewith invited to the Northern Free State Branch Member Meeting and **approved regulatory CPD event as follows:**

Date: Thursday, 30 May 2019

Time: 08h00 - 14h00

Place: Kroonstad Country Club, Kroonpark Rd, Panorama, Kroonstad

See the agenda attached.

The FIA will be hosting a **regulatory CPD approved event** after the members meeting, with **Joe Kotze as the presenter.**

The regulatory CPD approved event is **exclusively for the benefit of fully paid up members of the FIA that are registered on our data base.**

The event has been approved by the IISA, a body recognised by the South African Qualifications Authority as a professional body for purposes of the National Qualifications Framework Act.

Details of the event:

- **Topic:** PoPI Act (1.5 hours)
- **Topic:** FIC Act and how it effects a broker (1.5 hours)
- **Presenter:** Joe Kotzé
- **CPD hours allocated:** 3 hours

Registration for the event must be made by latest **Friday, 24th May 2019** by sending an e-mail to Trudie@fia.org.za. Registration can only be accepted if details of the

**person's name,

**ID number and

**e-mail address

are provided for verification purposes.

Members of the IISA must also provide their membership number of the professional body.

Please take note:

Regulatory CPD events must be verifiable which means that attendees will have to identify themselves at the event by means of an ID, driving license or passport. **Attendees must also sign an attendance register at entrance and at the conclusion of the event.** This is necessary to issue certification of attendance of a regulatory CPD approved event for record keeping purposes by all FSPs, as prescribed by Board Notice 194 of 2017.

Also note that as the event has been approved for regulatory CPD hours, the event will also qualify for professional CPD recognition by the FPI and/or the IISA.

Note: Personal information will only be used for identification and verification purposes, in line with the privacy policy of the FIA. Our privacy policy can be accessed on the FIA website at the bottom of the Home page – www.fia.org.za
